

SPIRIT ALIVE HAITI

# Circle of Friends

## Can you and your Circle of Friends become our friends too?

My name is Sarah. I am the cute one waving to you on the left. In Haiti, it only costs \$100 to send one of us kids to school for the whole year. That money pays for teachers, books, school supplies, and lunch for us every day! All it takes is for five friends to get together and contribute \$20 each. We want to get as many Circles of Friends, and other people too, to help me and my friends go to school. Can you help us?

**THANK YOU!**

Spirit Alive HAITI began a school 7 years ago for 12 children whose parents could not afford the uniforms, shoes, and transportation to send them to public school. Today, we have 250 children. In 2019, Food for the Poor replaced our school, constructed of scrap pieces of wood and tin, with a beautiful new building. But, their generosity did not include money to operate the school and educate the children.

The *Circle of Friends* campaign was initiated to raise those needed funds.  
Thank you for your donation of any amount!!
