

Madonna Dolan McGinty, Former Student, and Family Member to Aunt who was a part of Sisters of Charity

School Attended: Academy of Saint Aloysius, Jersey City, NJ

Your Story:

My dad's sister was Sister Rose Ryan, SC. When she entered the Sisters of Charity, she took the name Sister Marie Eduarda, SC, in honor of her two siblings, Eduard and Mary. When Aunt Rose came to visit us in Bayonne, we always had candy for her. She would take one of the straight pins from her habit and puncture the back of the candy to see what kind of candy it was. My aunt was a beautiful, kind, and caring woman. Thank you for the memories. Rest in peace.
