

Thomas Butler – St. Peter's, Jersey City

Your Story:

I got a great primary education, and I'll never forget how well the sisters prepared us to receive the sacraments. Lastly, we watched the coverage of John F. Kennedy's assassination in fifth grade.

I want to honor Sister Mary Mercita, SC (kindergarten), Sister Theresa Bernadette, SC (fifth grade), Sister Anne Philip, SC (Principal), and especially Sister Miriam Anne, SC (seventh and eighth grades).
