Long Time Friend of Sisters of Charity of Saint Elizabeth

This article is an important reminder to thank the courageous women of Sisters of Charity of Saint Elizabeth who answered God's call. More than 40 years have passed since I graduated from Our Lady of Victories School (Harrington Park, Bergen County). For teaching me how to think - rather than merely what to think - I remain indebted to the Sisters, who prioritized education over indoctrination.

Sister Elizabeth Holler, SC, Sister Ellen Maureen, SC, and Sister Emily Patrick, SC, will always have a place in my heart.

Warmest regards,

DMW
