We're limited
Just look at us.
We're limited
and just look at you.
You can now receive God's Grace
JoAnn.
Now it's time for you,
With love from all of us.
Now it's time for you.

It has been said that people come into our lives for a reason bringing something we must learn. And we are led to those who help us most to grow if we let them and we help them in return. Well, in our hearts we do believe that's true and we know we're who we are today because we knew you.

With reverence and humbling wonder of your commitment to the mission of the Sisters of Charity, admiring your empathy and devotion to serving the poor and less fortunate.

God will say that we've been changed for the better and because we knew you, we have been changed for good.

It well may be that we will never meet again in our lifetime. So, let us say before we part, so much of us is made of what we learned from you. You'll be with us like a handprint on our hearts. And now whatever way our stories end, we know you have rewritten ours by being a cherished friend.

We share profound respect for your unwavering loyalty to both education and compassion for caring for the elderly.

God will say that we've been changed for the better. And because we knew you, we have been changed for good.

Just to clear the air, we ask forgiveness for the times we may have needed more, but then it seems we must have shared our needs. Now that you have eternal peace, our love and friendship live on.

Seek your haven and sanctuary, Harvey Cedars. Recall the way the Father embraces the land as a sign of his unconditional love...stunning sunrises and bewildering sunsets.

JoAnn, you will always be remembered for your selfless and unstinting devotion to family, friends, your Sisters and, of course, God.

God will say that we've been changed for the better and we too believe that we've been changed for the better. And because we knew you, we have been changed for good.
