Your Story:

My dad's sister was Rose Ryan. When she entered the Sisters of Charity, she took the name Sr. Marie Eduarda, SC in honor of her two siblings Eduard and Mary. When Aunt Rose came to visit in Bayonne, we always had candy for her. She would take one of the straight pins from her habit and puncture the back of the candy to see what kind of candy it was. My aunt was a beautiful, kind and caring woman. Thank you for the memories. RIP
